

“Work is the key of life”

Genie: Your wish is my command. What do you wish for?

Job Seeker: I want to build a direct route between Egypt and Kuwait.

Genie: Do you want it a one-way or two-way route?

Job Seeker: OK then, I want to work in my field.

Genie: That's very hard.

“We aren’t brother and sister. However, a worker’s hands are innocent not dirty.”

Hareedi at Arrival Hall: “I told myself I’d travel to go meet Lady Ashton so that we win her to our side but she refused to become a second wife even though I don’t have another.”

Couple to builder: "Be careful. Don't fall off the scaffold haha"

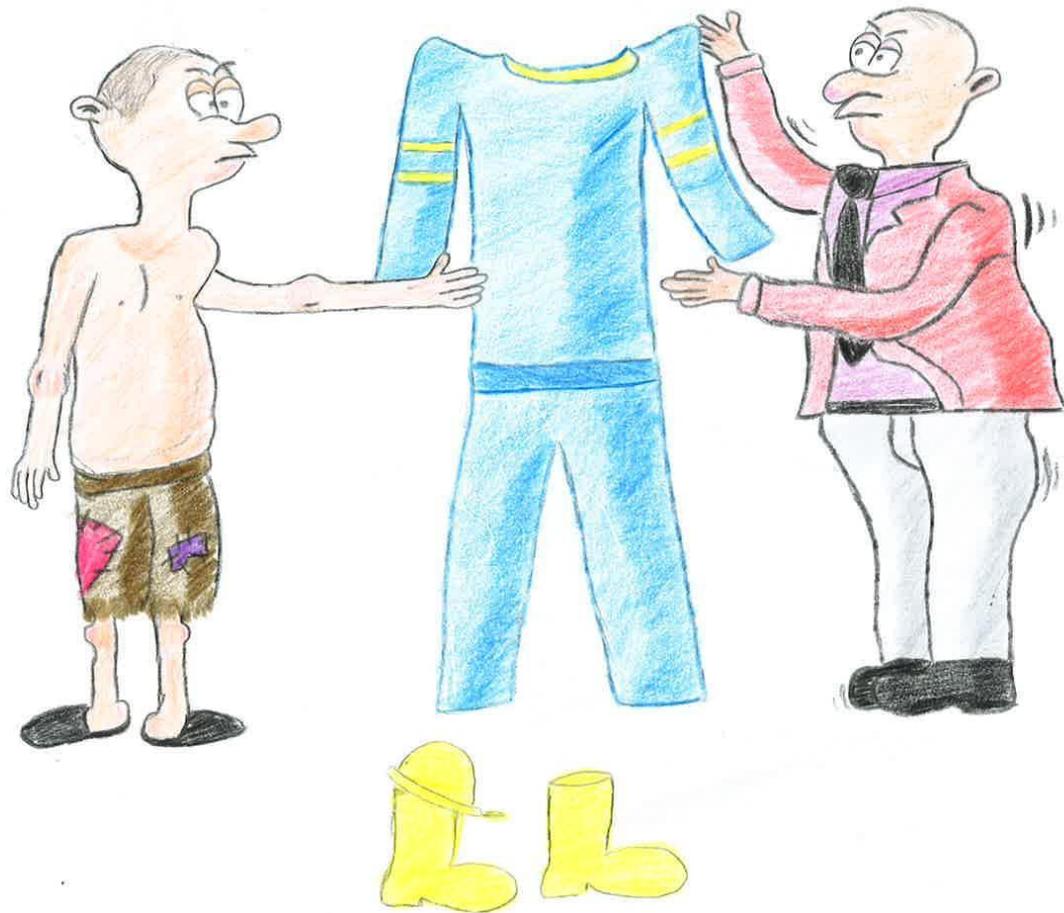

Builder: "I am the one building you an apartment where you can stay so that you don't roam the streets."

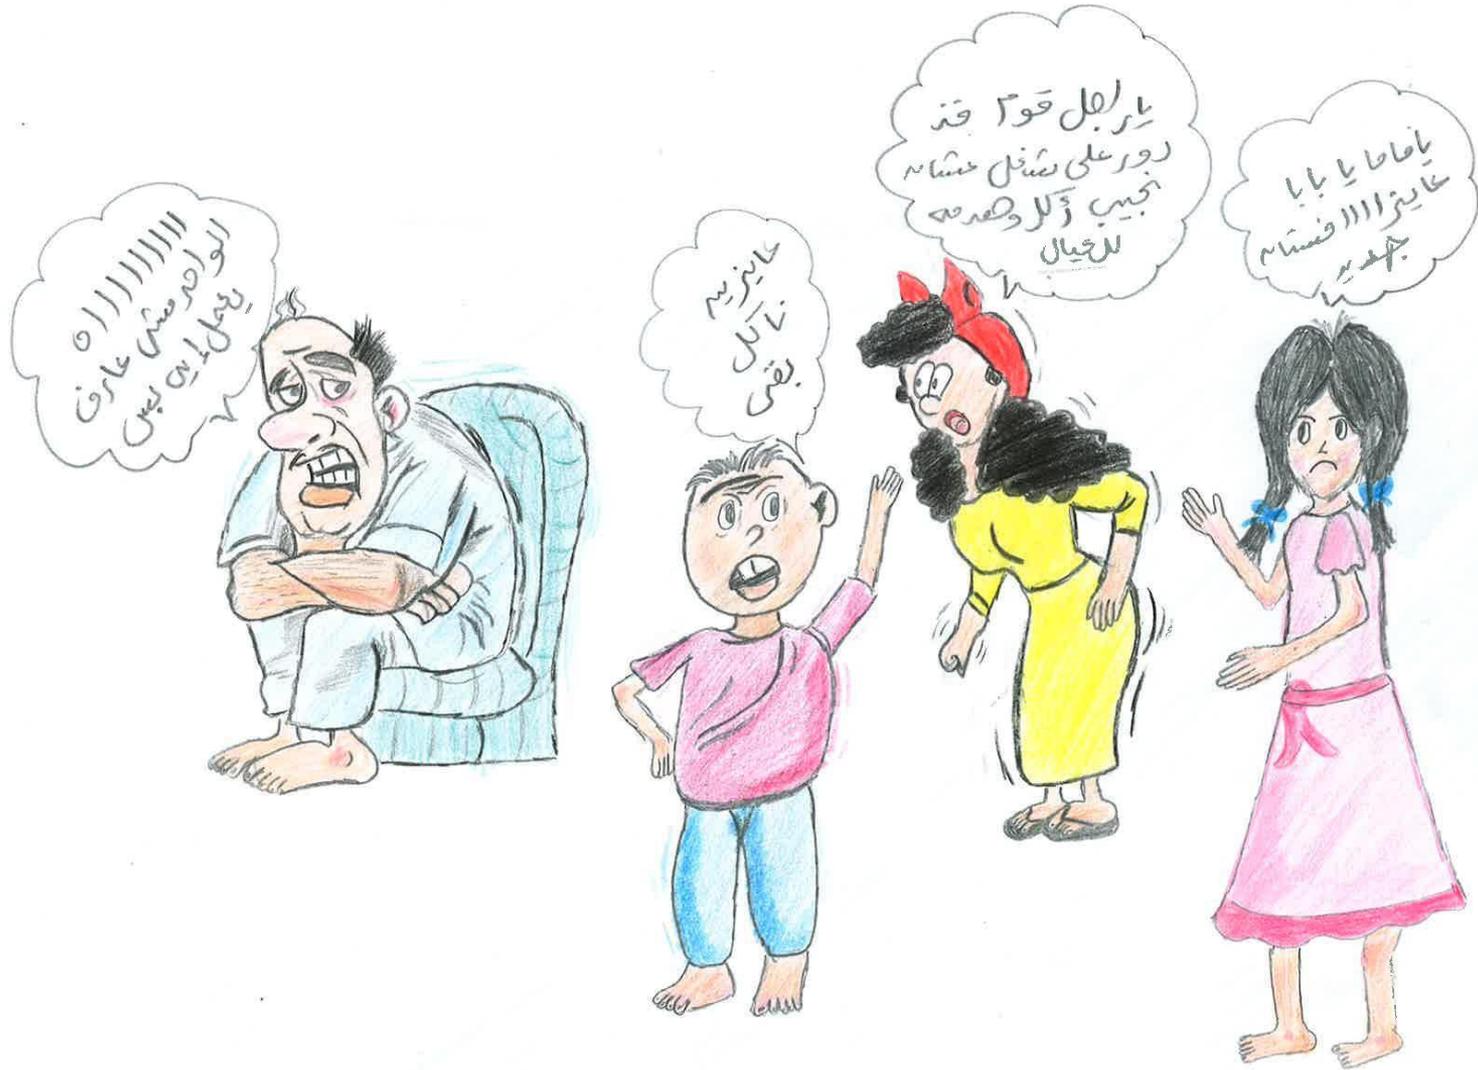

Employer: "Your friend is very happy today."

Employee (middle): "Of course, he has got to be happy, very happy. This is a rare occurrence."

Employee (left): "Finally, they increased the salary. Things will get better like this."

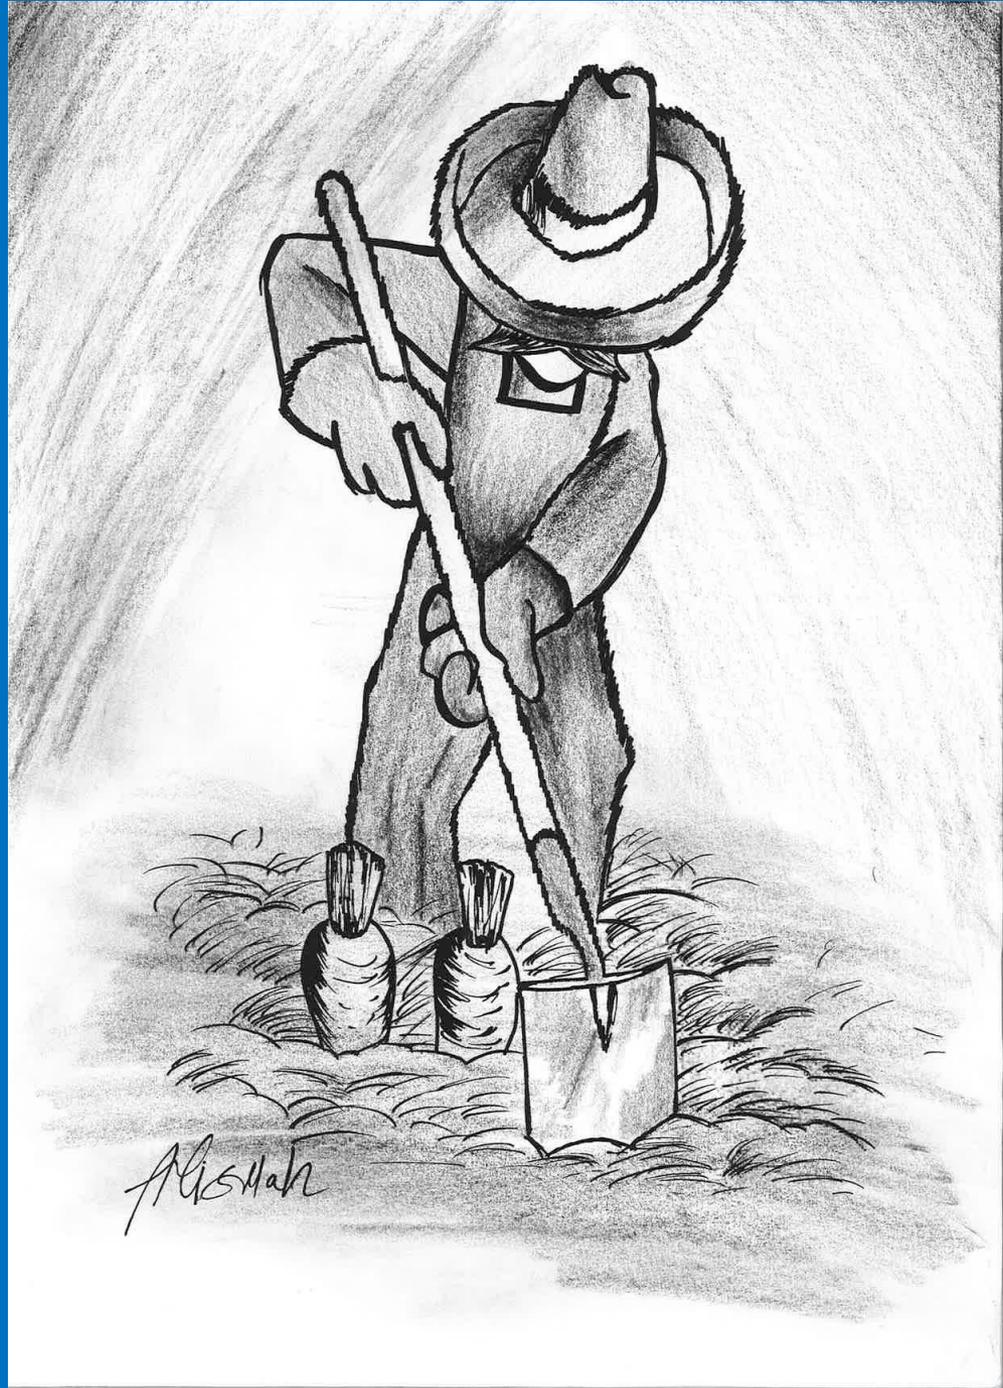

Daughter: "Mom! Dad! I want a new dress!"

Son: "We want to eat already"

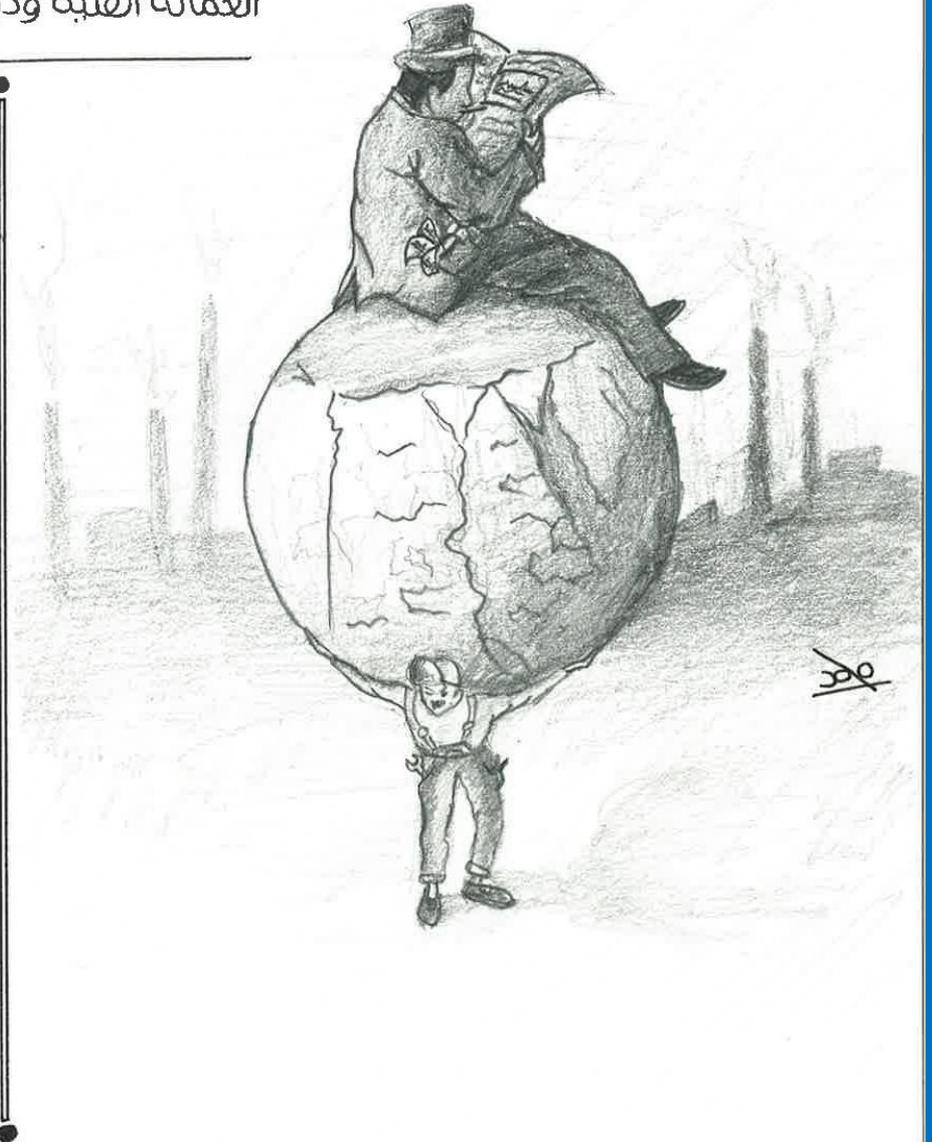

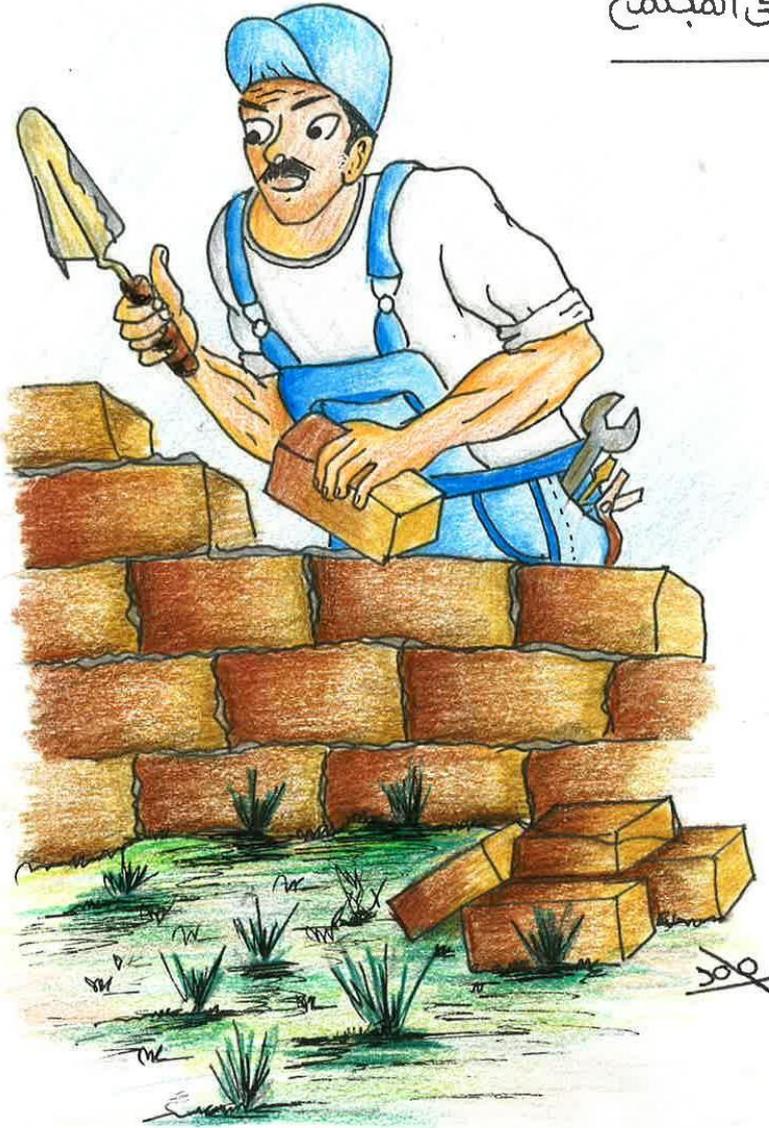

Mother: "Come on! Get up and go look for a job, so that we can bring our children food and clothes."

Father: "Aaaaaah! I don't know what to do..."

“They said in Shoghlana that a company is looking for workers and the salaries are good.
Why don't we apply?”
“Ok man, let's go!”

Mechanic: "Everything ok, pasha?"

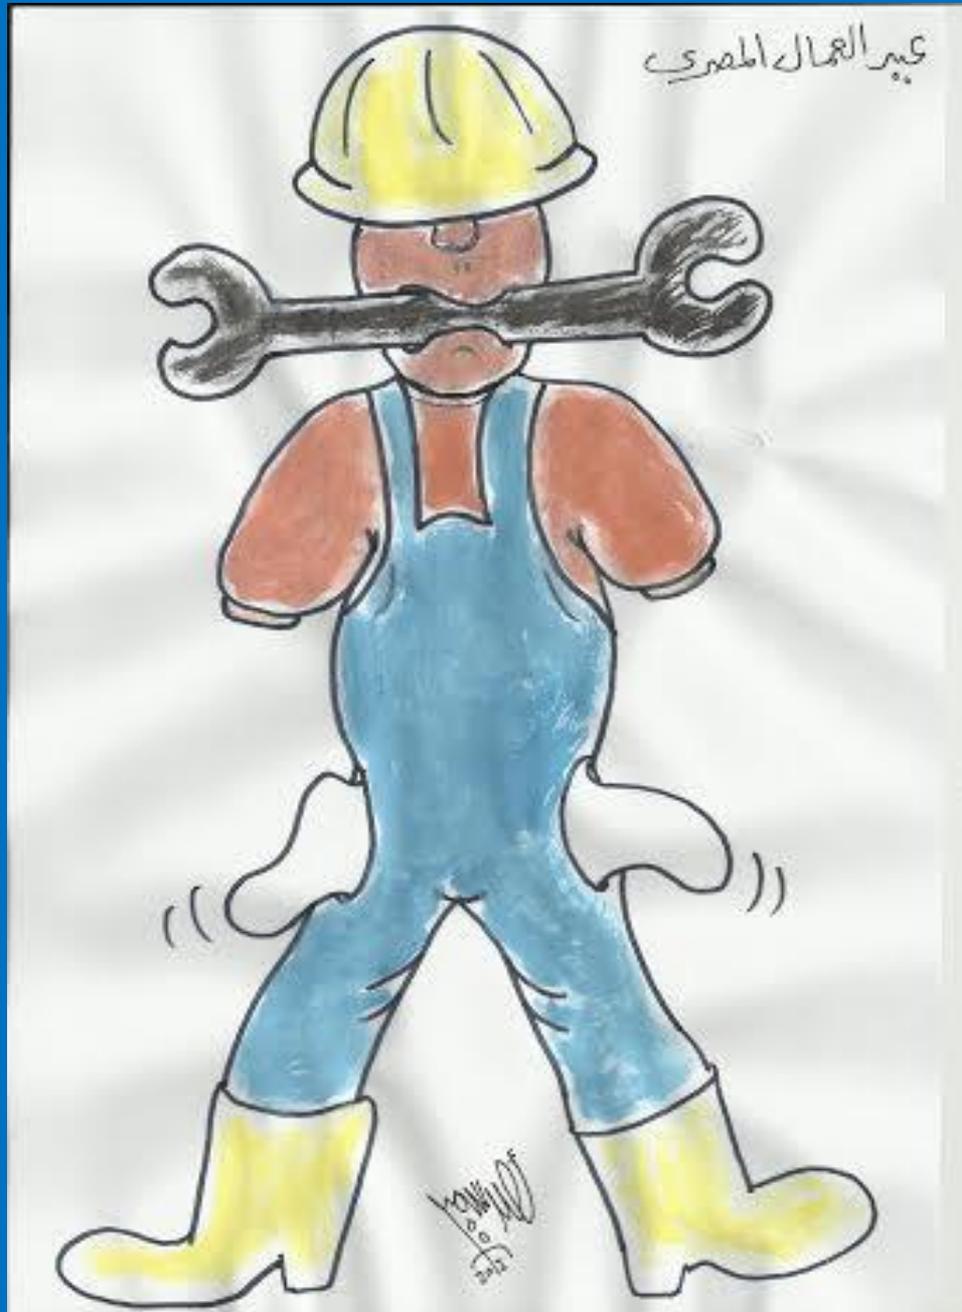

Customer: "Many thanks, Osta Abdou!"

Title: "Confusion"

Announcement: "Youth needed for work"

Applicant: "I am a fresh graduate and I took English, computer, and development courses."

Employer: "Sorry but we need someone who has experience."

Applicant: "Experience! But to have experience, I have to work and the work needs experience!"

Rejected Applicant: "I am confused... what to do?"

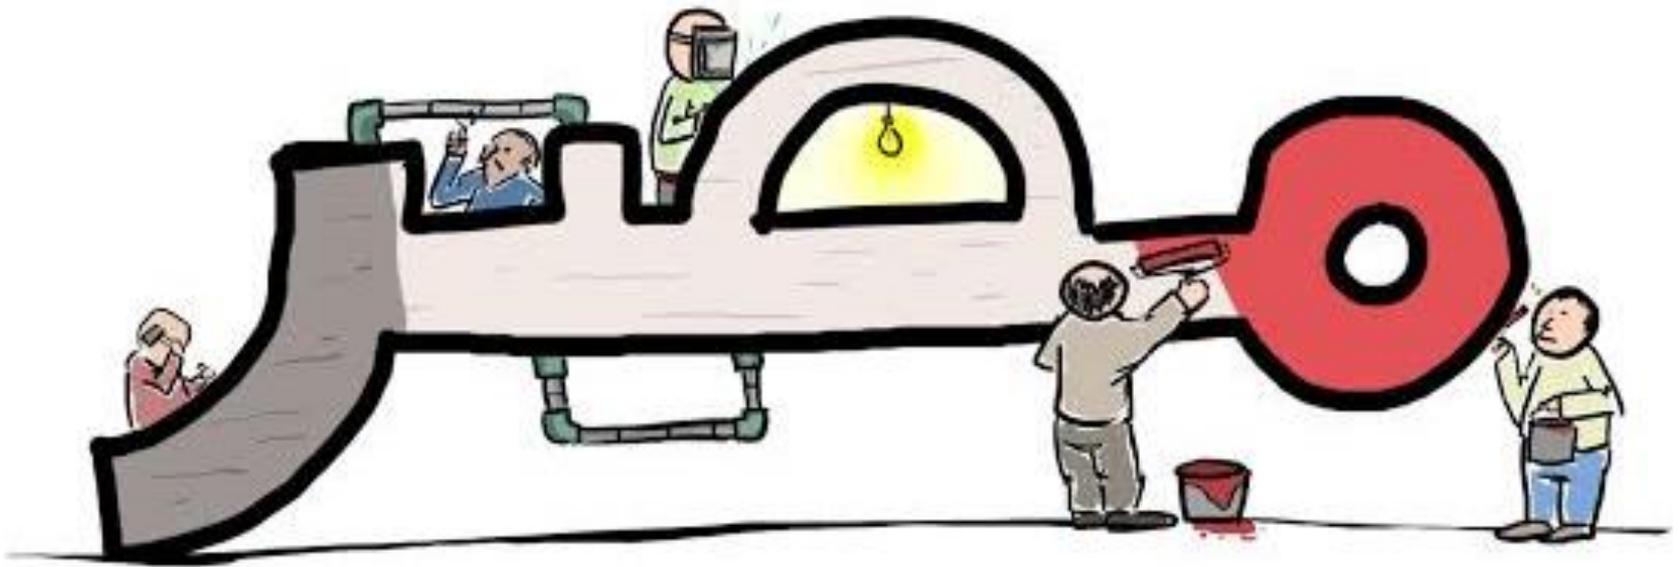

Young man contemplating suicide: "Which is easier?"

Title: "Idea"

Company owner claims that one of his workers' idea is his own and wins the competition. The employee (whose idea was stolen) resigns and throws away his idea.
